JENNIFER KARIN JORDAN

WHO IS JENNIFER?

Jennifer K. Jordan is a California-based author with a passion for celebrating the spiritual in our daily lives and educating others. She has worked as a writer and teacher and holds dual Master's Degrees in Education and School Counseling. Jennifer is committed to inspiring others to live to their highest potential, and her books empower readers to live their most fulfilling, healthy, and joyful lives. Her books include DADLY Wisdom, a celebration of wise fathers throughout the world, and Anorexia: You Can Never Be Too Thin—Or Can You?, an inspirational tale of hope and healing from the destructive disorder.

REVIEWS & ENDORSEMENTS

For Anorexia: You Can Never Be Too Thin—Or Can You?—It's not easy to entertain and teach at the same time, but this book does exactly that! The imaginary tale of an anorexic is followed by the author's true narrative that gave me a solid understanding of the day-to-day life of one who suffers from this eating disorder, and most importantly—a way out. This book is a keeper that can be read and reread as a guide to positive living for those with this particular problem and those who love and care about them. - Cynthia Levy, Ph.D., Retired Literature Professor from Southern University, Baton Rouge, LA, and Registered Art Therapist

Impressive honesty, and a nearly anthropological study of what makes good fathers tick...If I were packing a Time Capsule, DADLY Wisdom would be one of the first items I'd put into it. For if the world should almost end in fire or ice, it would be nice to show future generations the good that men were once capable of doing. —Midwest Book Review

Jennifer Jordan's Anorexia: You Can Never Be Too Thin—Or Can You? is one of those rare books that contains valuable information for very young children, as well as adults, including professionals. Readers will be warned, helped, and inspired via both the self-revealing odyssey and possible future paths to enlightened safety." - Bill Younglove, Ed.D. California State University, Long Beach, Teacher Educator/Formal Secondary Teacher
